

WHY PARTNER WITH TRIMECH STAFFING

TRIMECH STAFFING

Need help finding the right engineering candidate to fill an open position? Let us help!

At TriMech Staffing, we provide our clients with key technical candidates to fill their contract, contract-to-hire and direct hire openings. We are determined to provide specialized services and create value in the process.

Whether you are looking for your next career opportunity or to line up your next contract opportunity, TriMech Staffing can find the perfect match.

As the nation's largest reseller of SOLIDWORKS CAD software and Stratasys 3D printers, we have access to resources that can expedite our ability to assist in recruiting for your engineering voids.

Clients Come First

FOCUS

We provide specialized resources to Engineering Sectors including Department of Defense (DoD) and Commercial clients.

COMMITMENT

We strive to be experts in the engineering arena, with committed staff to support needs of our clients.

KNOWLEDGE

We match candidates' skill sets to our clients' cultural environment and technical needs.
